I did omit that in 2012 I asked Assemblyman Jared Huffman to investigate why Bloom asked the State of California for training money to handle hazardous Hydrogen Sulfide but at the same time was lying to Delaware there were no hazardous materials. Huffman's staff told me that they asked the CA DOJ to investigate and that there was no hazardous material. Remember that Kamala Harris was running the CA DOJ at the time. Bloom then quickly withdrew the request for the HAZMAT training funds in CA. But we know there was hazmat. So folks not only is Joe Biden involved in the Bloomdoggle, Kamala Harris is also involved in the Bloomdoggle, The fraud on Ratepayers in California in the plundering of the SGIP is around \$400 million.

Let's see how often John Doerr dines with Joe Biden like he did with Barack Obama.

Let's see Regan and Garland reestablish the rule of law and equal justice

Thanks for sharing. No doubt the ball was dropped and many are responsible for having butter fingers.

<https://www.dictionary.com/browse/butterfingers>

What went on was a disgrace and made me terribly sad. Our Capitol is hallowed ground. The World Trade Center is also Hallowed Ground and now will be defiled by 1.2 megawatts of Bloom Boxes because The Oligarch In Chief Louis XX John Doerr Doerr owns Crooked Cuomo. This was not butter fingers but sticky fingers.

Going forward, I will be pressing a case against the US EPA for going soft on Bloom Energy because Murky Murkowski loaned Patrick McCormick, her Special Counsel to Bloom for two years, to squash the fine for which I am the whistleblower. The fine will still be about \$2 million even with the sleazebag Wheeler being in Bed with Bloom. I will demand in my suit, the whistleblower fee I am owed.

Then the real fireworks will begin when I demand that Michael Regan and Merrick Garland fine Bloom several hundred million dollars for Greenwashing CO2 emissions.

Perhaps Breitbart can do some real reporting on the Bloomdoggie like they did back in 2012 and 2014.

Joel you should call me and I will bring you up to speed. The Trump EPA, The Trump SEC, The Trump FTC, The Trump FERC and the Trump DOJ protected Al Gore, Colin Powell, John Doerr and other sleazebags at Bloom Energy. Joe Biden coerced the Delaware PSC back in 2011 to approve the Bogus tariff that has handed Bloom over \$450 million in ill gotten subsidies from Delmarva Ratepayers and US Taxpayers. We will see if Regan and Garland protect Joe Biden or protect WE THE PEOPLE.

Hi Lindsay,

I have investigated the failure of the deployment of National Guard Troops before and during the riots last week, I discovered the following:

1. The Capitol Police report to a Capitol Police Board and Congress. The President has no authority whatsoever over this law-enforcement unit.

see <https://www.uscp.gov/the-department/oversight>

2. The Department of Defense has issued a detailed timeline in regards to their preparation and involvement with the events last week that can be seen here,

see <http://www.oc-breeze.com/wp-content/uploads/2021/01/PLANNING-AND-EXECUTION-TIMELINE-FOR-THE-NATIONAL-GUARDS-INVOLVEMENT-IN-THE-JANUARY-6-2021-FIRST-AMENDMENT-PROTESTS-IN-WASHINGTON-DC.pdf>

3. An NBC investigative report describes the bureaucratic bungling related to the events

see <https://www.nbcnews.com/news/crime-courts/pentagon-d-c-officials-point-fingers-each-other-over-capitol-n1253547>

4. There was an intelligence failure in alerting the Capitol Police

see <https://www.wsj.com/livecoverage/biden-trump-electoral-college-certification-congress/card/rghQKMAF2ju2wkrUlcj1>

5. The FBI is investigating whether the riots were aided by 'insiders' at the Capitol

see <https://www.tmz.com/2021/01/08/capitol-insurrection-fbi-inside-job-capitol-police-staffers-rioters/>

Based on all of the above, it seems reasonable to conclude that:

1. The Mayor (Bowser) and Chief of Homeland Security (Rodriguez) made a timely request on December 31, 2020 for National guard support to the Metro Police and Fire services in preparation for the riot. The Capitol Police declined to seek support from the National Guard.

2. The President, Chairman of the Joint Chiefs of Staff and the Acting Secretary of Defense agreed on Sunday, January 3 to activate the National Guard in response to Bowser and Rodriguez's request.

2.. Rodriguez and not the acting secretary of defense requested that the national guard troops not be armed and assigned to civil duties based on his memo of December 31, 2020.

3. Once the insurrection had begun and the help of the national guard was requested, it took an hour for the military chiefs to meet and even more time to mobilize armed national guardsmen.

4. There were intelligence failures on behalf of elements within the Department of Homeland Security and the FBI.

5. The ease of access to the Capital by the mob will need thorough investigation.

Last, you might be interested to read Jonathan Turley's assessment of whether Trump is guilty of a crime. Turley is a democrat and highly regarded expert on Constitutional Law at George Washington University and appeared at the impeachment of Trump to explain the law.

I hope this review is of interest.
